

## Information Sheet

### Information Sheet

You are being invited to take part in a research study. Before you decide to participate in this study, it is important that you understand why the research is being done and what it will involve. Please take the time to read the following information sheet carefully. Please ask the researcher if there is anything that is not clear or if you need more information.

**Study Description:** You're being asked to participate in this research study so we can learn more about people's visuospatial abilities and how they relate to work activities. You may be asked to complete a series of questionnaires and a few interactive tests which are designed like games. The tests will assess your visual memory, perception, and visual-spatial reasoning abilities. You may be asked various questions about yourself, your life experiences, your work history, and your behaviors in hypothetical situations. Your participation in this study is voluntary.

**Time Commitment:** The expected duration of this study

was listed as “Estimated Completion Time” on the Prolific study information page.

**Compensation:** You will receive financial compensation as outlined in the study information on Prolific. In order to receive compensation, you must finish the study. Due to Prolific constraints, partial payment is not possible if you time out or discontinue the study.

**Description of discomforts:** This study could lead to minor temporary fatigue from staring at a screen, but otherwise there are no known risks.

**Privacy:** Your information may be made available as part of a dataset shared publicly. Your data will be de-identified following current standards of data privacy. There are no plans to pay you for the use or transfer of this de-identified data.

**Whom to contact with questions:** Principal Investigator: Prof. Maithilee Kunda, [mkunda@vanderbilt.edu](mailto:mkunda@vanderbilt.edu)

**Summary:** I understand the information that was presented and that: My participation is voluntary. I may discontinue participation at any time by simply closing this window. If I discontinue my participation, then any responses I provide up to that point will not be used. You
